Dear Dr Fuentes

## **Accreditation**

I am now able to confirm that accreditation of the MBA provision offered by the Graduate School of Economics and Business, Universidad de Chile, namely, the MBA for the Americas and the Executive MBA, has been formally endorsed by the Association's International Management Board. Both programmes receive accredited status for a period of two years in the first instance, with a review to be undertaken during October 2003.

On behalf of The Association of MBAs, may I wish you and your colleagues continued success.

Yours sincerely

**Dr Robert Owen**
